Thursday, 4th July 2019 – Day 4

09:30 Depart to Vaclav Havel Airport Prague

11:15 Site Visit of Air Navigation Services Of The Czech Republic and Czech Aviation Training Centre

The mission of ANS CR is to take part in the provision of cost effective, long-term sustainable aviation navigation services in an environment of evolving functional airspace blocks. In the dynamically evolving air transportation environment, its services are designed to meet the expectations of all users with regard to current and future demand at both the national level and that of the European ATM development context.

For more than 15 years, aviation professionals as well as those who want to pursue a new career in the industry, have been coming to experience their training at the Centre. CATC offers experience, quality, safety, a professional and cooperative attitude.
